Projects

Pigmented Dreams - Intisar Osman

Feb 2021 – Mar 2021 (Updated 12/11/21)

Created a website for a client as a project in my Web Authoring 1 course with HTML, CSS, and JavaScript. Her request was an aesthetic art portfolio which could display her art pieces online, with ReCaptcha commission and contact forms and was responsive for mobile.

Osman's Decor - Eydrus Ahmed

May 2021 – Jun 2021

This project was a website I created for a client with HTML, CSS, and PHP, in my Web Authoring 2 course. The website displayed furniture tailored by the client with information about their small business and a ReCAPTCHA contact form.
